BABS ( 16 )      vs      x5-StormtheFront ( 14 )

This being the actual first match of BABS Cal-M careers, You can't say it wasn't a good one. No practices on Fire, the team brought back the knowledge of last season and basically took this as a warm up. Maniac came back for this match to fill in for TeeJay, whos computer is on the fritz. The line up for this match was Waffles, Maniac, Onion, Atom and new comer Amb0. Amb0 is still new to some of these newer cal maps and will work on getting ramped up on knowing these maps fully. This seems like a great roster for this season. Good things to come. BABS starting first half T, it ended in a tie 6 , 6. Second half was also tie 6 , 6. They seemed to take B choke a bit until they adjusted. This match went into OT, with x5 taking first half OT 2 - 1 and BABS finishing up second half 3 - 0. Great Match Guys! Good start to a new season.
